FWU SHENG FLOWER

2024 CATALOG

ABOUT FWUSHENG FLOWER

We are a family-owned Taiwanese business with a passion for floral cultivation dating back to 1993. Specializing in Eustoma, Oncidium, and Anthurium, we proudly grow over 100 unique varieties on our own farm. Additionally, we work closely with trusted local farmers to source other exquisite blooms like Vanda, Ascocenda, and Phalaenopsis.

Each year, we manage over 2 million cut flowers, supplying wholesalers in Japan, the Middle East, the United States, Hong Kong, and Macau with fresh blooms directly from Taiwan.

BRINGING YOU TAIWAN'S FINEST FLOWERS

- **Expertly Grown, Packed, and Delivered by FwuSheng Flower:** From cultivation to final delivery, every step—growing, sourcing, packing, and transport—is managed in-house by FwuSheng Flower, ensuring unparalleled quality and simplicity in your supply chain.
- **Quality, From Farm to Vase:** Each bloom is carefully monitored and inspected, delivering top-grade quality from our farm to your warehouse.
- **Year-Round Reliability:** Enjoy seamless delivery to your warehouse every season, backed by our dedication to consistency and freshness.
- **Decades of Expertise:** With extensive experience in the floral industry, we proudly stand as a leading wholesaler in Taipei and a trusted exporter worldwide.

We take immense pride in our craft and invite you to experience the quality and dedication we bring to every flower.

Choose FwuSheng Flower as your trusted partner and discover excellence in every petal, reliability in every delivery.

A wide-angle photograph of a large-scale orchid farm. The greenhouse is covered with a translucent white fabric roof supported by a steel frame. The interior is filled with rows upon rows of potted orchids, their long, thin green leaves and bright yellow flowers reaching upwards. The perspective leads the eye down a central aisle. The sky above is a mix of blue and white clouds, with sunlight filtering through the fabric roof.
